

Newsletter Doctoral School

1/2026

Escola de Doctorat
Universitat de Lleida

Hello everyone 🙌,

We are reaching out to you with an initiative that we believe will be very useful!

What are we proposing?

Starting in September, we will send a **monthly newsletter from the Doctoral School** containing all the relevant information in a single message. The goal is simple: to reduce the number of emails you receive and bring everything together in one monthly message that is easier to read and manage.

What will you find in it?

Through the newsletter, we will share information related to the Doctoral School, such as:

- 📅 Admission and enrolment procedures
- 💰 Awards, grants and scholarships
- 🌐 International opportunities
- 🏆 Competitions and recognitions
- 📅 Events, workshops and training activities
- 🎓 Information about doctoral thesis submissions and defences
- ...and much more!

But communication will not only be one-way 🗣️

Starting next academic year, we would like to strengthen connections between the Doctoral School, Supervisors and Doctoral Researchers. For this reason, the newsletter will also be **an open space where you will be able share your own information** and communicate your news with the rest of the university community. If you'd to promote an event, an award or a call for Applications, this will be your channel!

Do I need to register? ✅

You will receive the newsletter directly in your email inbox through the Virtual Campus. **It is important that you check the email address associated with your Virtual Campus account.**

In addition, we have created a **Telegram** channel where we will share the information so that it reaches you directly on your mobile phone. If you would like to join the **“Doctorat al dia UdL”** community on Telegram, simply check this link: <https://t.me/+UT5mMoCsHuYyNWJk>, or scan the following **QR code** !

Stay tuned: on 10 September... you'll receive the first newsletter! 🚀📧

Don't forget to spread the word among your colleagues and fellow researchers!

Oh... and don't forget to follow us on social media: **Instagram** and **LinkedIn** if you want to stay up to date with the latest news and opportunities! ✨
